### **\*Please Note\***

**Passports and microchips of all ponies will be checked by officials. Should a microchip be untraceable or passport incorrect, the pony will not be permitted to go through the ring.**

**CONDITIONS/ GUIDELINES FOR SALES HELD BY SLMG**

1. Ponies must not be removed from pens without the owner or his/ her representative being present.
2. At all Sales, if the owner is not present in person, a **representative must be nominated in advance** who will be responsible for the ponies.
3. All stock **must be registered** with the Shetland Pony Stud-Book Society.
4. The minimum age of foals to be sold is **eighteen weeks on the day of the Sale even if being sold at foot**. The foal's exact date of birth must be stated on the entry form.
5. It must be emphasised that foals, unless being sold at foot, **must be weaned and able to eat hard food**.
6. **No ponies will be accepted for sale if they have undergone any form of surgical procedure e.g. castration, within 4 weeks of the sale date.**
7. **Owners who have had ponies suffering from an infectious disease within six weeks of the sale must not present any ponies for sale. Any ponies showing symptoms of an infectious disease such as coughing, swollen glands, high temperature or a muco-purulent nasal discharge (snotty nose) will be excluded from the Sale.**
8. Any ponies **over the age of eighteen years** must have a Vet's certificate, dated the day before the sale, stating that the pony is fit to travel. The pony must only be vetted the day immediately prior to the Sale. If no such certificate is received by the Auctioneer, the pony must not be permitted to go forward for sale. No ponies over 20 years of age will be accepted for sale.
9. SLMG will not accept progeny from mares unless the mare is at least 33 months old on the date **of foaling**.
10. If a mare is in foal, it is assumed it is to a stallion registered with SPS- BS. **If in foal to a stallion not registered with SPS-BS, the progeny will not be eligible for registration with the Society.** The covering stallion's name and registration number **and date(s) of covering** must be clearly stated on the form.

11. In the interests of welfare, it is recommended that lactating mares are not accepted at SLMG sales, nor should mares due to foal within eight weeks or less of the date of the Sale be accepted. **Fillies of two years or less who have been running with or covered by a stallion will not be accepted for sale.**
12. Full details of the following must be given on the entry form and printed in the catalogue: **Sire's name and Stud-Book number, Dam's name and Stud-Book number and exact date of birth of pony. Name and registration number of covering stallion, if applicable, and dates of covering must be included. If mares have not been covered in the current season, this must be stated. Entries for colts aged one year or over must indicate whether the colt has been presented for a VVE and the result given.**
13. If ponies are catalogued, as for sale due to stud dispersal, it is assumed that the ponies will be sold and not taken home unsold.
14. In the interests of welfare, working ponies of four years old or over **only** may be clipped.
15. Passports and microchips of all ponies will be checked by officials. **Should a microchip be untraceable or passport incorrect, the pony will not be permitted to go through the ring.**
16. **A pony must not be permitted to be presented for sale unless a checked passport has been received by the Auctioneer's Office prior to the Sale. The Passport must then be passed to the new owner for the onward journey.**
17. The purchaser of each Pony is responsible for arranging the transfer and payment of the Pony into the new owners name with the SPS-BS.
