

## **Winter Indoor Shetland Pony Riding School**

**Would you or your child be interested in coming to learn to ride or develop your skills with a Shetland Pony?**

**It is proposed that between October and March The Shetland Pony Riding School, in Burra, will offer riding lessons in their indoor arena. (Pictured below)**

**A qualified instructor would deliver lessons using one of the school's 8 Shetland riding ponies.**

**Students would sign up for a course of 10 x 40 minute lessons, which could be scheduled to suit your needs.**

**An open day will be held in October for anyone interested to come and view the arena and ponies.**

**To express an interest or for more information please contact Barbara Tait at [info@merkisayrestud.co.uk](mailto:info@merkisayrestud.co.uk) or Tel. 01595 859626**
