

IMPORTANT

No pony will be sold unless it has been entered into the sale adhering to the SPS-BS and Auction Mart rules.

Buyers are reminded that any ponies they purchase are at their risk at the fall of the hammer. No undertaking of the Auctioneers or their servants to take charge of any lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation.

Whilst every effort is made by the Society to ensure that the information given regarding pedigree, ownership, detail of colour and date of birth is correct, the responsibility remains with the prospective purchaser to verify these details. Liability for errors and omissions will not be accepted by the Shetland Pony Stud-Book Society.

SHIPPING

Buyers must pay for their shipping space at the Auction Mart office at the time of purchase of ponies.

The rate for each pony from the Lerwick Mart to Aberdeen will be available from the Auction Mart Office, prior to the sale

THE SHETLAND PONY STUD-BOOK SOCIETY

Passports for ponies will be checked at the Society sales. Please ensure that you contact a “checker” immediately upon arrival at the sale to have your ponies’ passports checked, prior to handling your passports to the market office. It is the responsibility of the vendor or his/her agent to ensure that this is carried out.

Should a passport be found to be incorrect, a charge will be payable to the Society before the pony will be permitted to go through the ring.
