CONDITIONS/GUIDELINES FOR SALES HELD UNDER THE AUSPICES OF THE SOCIETY

1. Ponies must not be removed from pens without the owner or his/ her representative being present.
2. At all Sales, if the owner is not present in person, a representative must be nominated in advance who will be responsible for the ponies.
3. The minimum age of foals to be sold is eighteen weeks on the day of the Sale even if being sold at foot. The foal's exact date of birth must be stated on the entry form.
4. It must be emphasised that foals, unless being sold at foot, must be weaned. This means they must be able to drink water and eat hard feed independently.
5. No ponies will be accepted for sale if they have undergone any form of surgical procedure e.g. castration, within 4 weeks of the sale date.
6. Owners who have had ponies suffering from an infectious disease within one month of the Sale must not present any ponies for sale. Any ponies showing symptoms of an infectious disease such as coughing, swollen glands, high temperature or a muco-purulent nasal discharge (snotty nose) will be excluded from the Sale.
7. Any ponies over the age of eighteen years must have a Vet's certificate, dated the day before the Sale, stating that the pony is fit to travel. The pony must only be vetted the day immediately prior to the Sale. If no such certificate is received by the Auctioneer, the pony must not be permitted to go forward for sale. No ponies over 20 years of age will be accepted for sale.

The covering stallion/entire male's name and registration number and date(s) of covering must be clearly stated on the form.
9. In the interests of welfare, it is recommended that lactating mares are not accepted at Society Sales unless sold with foal at foot, nor should mares due to foal within eight weeks or less of the date of the Sale be accepted.
10. Full details of the following must be given on the entry form and printed in the catalogue :
 - Sire's name and Stud-Book number

IMPORTANT NOTICES

PROSPECTIVE BUYERS ARE REQUESTED TO REGISTER WITH THE AUCTIONEERS PRIOR TO SALE, WHEREUPON THEY WILL RECEIVE NUMBERED CARDS TO ASSIST BIDDING AND CASHIERING ARRANGEMENTS.

IF YOU ARE BUYING A PONY FOR ANOTHER PERSON, PLEASE REGISTER IN THAT PERSON'S NAME AND BUY WITH THAT NUMBER TO FACILITATE NECESSARY TRANSFERS – FAILURE TO DO SO WILL INCUR DOUBLE TRANSFER FEES.

IT IS NOT PERMISSIBLE FOR POTENTIAL PURCHASERS TO REMOVE PONIES FROM THEIR PENS WITHOUT THE VENDORS BEING PRESENT

The Society would like all vendors of ponies sold to foreign purchasers to accompany the pony whilst the International Pony Movement Certificate is completed by the Vet. This is in order to reduce any delay should a query arise.

A list of registered potential purchasers will be provided to the SPSBS prior to the start of the sale. This is to benefit the smooth transfer of ownership, in particular those ponies being exported, of ponies sold at this sale. The list will NOT be used for any other purposes and those registering will be protected under the Data Protection Act.

Passports for ponies legally required to have one will be checked at the Society Sales in 2009. Please ensure you contact a 'checker' to have your pony looked at with its passport prior to handing the passport in to the market office. It is the responsibility of the vendor or his/her agent to ensure this is carried out.

All ponies sold for export from Society Sales in 2008 must have a passport. If a pony is bought by a foreign purchaser and the pony does not already have a passport, the PURCHASER will be required to pay £15.00 for a passport to be produced. This decision has been taken in order to ease acceptance by the foreign Stud-Book Society concerned.

SENIOR MARES & FILLIES

OLDER MARES

Where it is stated that a mare has been scanned in foal, potential purchasers must be aware that as mares may be scanned from as early as 17 days there is no guarantee that a foal will ultimately be produced. It must be accepted that reabsorption could take place. If a female is shown as a filly, this means she has not yet bred a registered foal.

 4. **WARRANTIES.** Ponies may be warranted at the discretion of the owner as follows:

QUIET TO RIDE shall imply that the animal may be ridden by a reasonably experienced person, on its own, in company and in traffic and is sound in wind, eyes, heart and action and not suffering from any vice.

QUIET TO DRIVE shall imply that the animal is quiet and capable of being driven in single harness in and out of traffic and is capable of a reasonable day's work, being sound in wind, eyes, heart and action and not suffering from any vice. UNNERVED ponies must not be warranted. NO AGES and HEIGHTS are warranted by the Auctioneers.

No animals are warranted in all respects by the Auctioneers but any animal may be sold with the benefit of a Veterinary Surgeon's certificate which will be handed to the purchaser.
