6. The minimum age of foals to be sold is **eighteen weeks on the day of the Sale even if being sold at foot.** The foal's exact date of birth must be stated on the entry form.

8. **No ponies will be accepted for sale if they have undergone any form of surgical procedure e.g. castration, within 4 weeks of the sale date.**
9. **Owners who have had ponies suffering from an infectious disease within one month of the Sale must not present any ponies for sale. 21. In the case of a pony being exported, the Auctioneer must deduct **£35 per pony - £25 of this to be paid by the purchaser and £10 by the vendor.** An International Pony Movement Certificate will be forwarded directly to the foreign Stud-Book Society concerned. The Society would like all vendors of ponies sold for export to be present whilst the Vet completes the IPMC.
22. If the transfers are processed by the Society on the day of the sale, purchasers will be required to ensure that they inform the Society staff of the correct details to enable the transfer to be completed on the SPSBS database and the passport to be updated and signed by the Secretary (or nominated Society representative) before commencing the onward journey.
23. A **typed list of full purchasers names and addresses** must be sent to the Secretary as soon as possible after the Sale. The list **must include** the forename, surname, full address and postcode of the purchaser.
