

PBSA Newsletter Spring 2018

Show season began on 1st April with the Serrang Inhand Show at the Marts

A super day was had by all, with a good turnout of Shetland ponies for the affiliated classes. There were 3 rings on the day; Shetland Ponies, M&Ms and Other Breeds with a good turnout in all rings. It was super to see a Shetland Pony take the Supreme title for the second year running. It was also great to see so many in the Young Handler classes

The Late Marie Brooker

Mrs Marie Brooker of Clothie Stud was a founder member of the PBSA and twice President of the Shetland Pony Stud-Book Society. She dedicated a large part of her life to the protection and promotion of the Shetland Pony, supporting activities at her own stud right until the end. She was a formidable woman who will be greatly missed by all who knew her. The legacy she leaves behind in the generations of young pony riders she has nurtured and encouraged is unmeasurable. Thank you Marie

Midsummer Auction 2018

June has handed over the reins of our successful PBSA Mid-Summer Facebook Auction to me (Sheena Anderson) and this year it will run from the 11th June until 8pm on the 17th June. I am looking for donations for the auction which will be raising funds for the 2019 breed show.

Previous auctions have created a great buzz on our Facebook page and some amusing "banter" between rival bidders, with several people getting into a real bidding war over some of the more popular items on offer. The original handcrafted lots were especially sought after so hopefully some of our very talented members will get their thinking caps on over the next little while and produce something for this auction.

If you would be willing to make or donate an item for the auction please contact Sheena filska.anderson@googlemail.com Tel: 01806544242 Mob:07717586928 or via the PBSA Facebook page

The late Eva Smith

Eva born in 1930, was brought up on Berry Farm, Scalloway and had a great passion for farm life at both their Berry Farm and their farm at Pitmeden, Aberdeenshire. Alongside her brother, the late Jim Smith they also took over the running of the family business Jamieson & Smith Wool Brokers following the passing of their father and the company's founder, the late John Smith.

Eva alongside her late brother Jim ran the Berry Shetland Pony Stud. The Berry Stud is known and respected worldwide for quality miniature and standard ponies. Berry bloodlines trace far back in the stud books and can be found in ponies pedigrees the world over.

Eva was a keen horsewoman from a young age, having several bigger horses throughout the years alongside the Shetland Pony Stud. She was a great supporter of the Pony Breeders of Shetland Association and stewarded annually for years at the Pony Sale, up until she retired just a few years ago.

Eva was a well respected judge, and at 17 became the youngest judge of her era to judge at the prestigious Royal Highland Show. Eva's passion for the standard pony remained strong throughout, with Jim's preference to the miniatures. 2017 saw Eva's homebred mare 'Willow of Berry' achieve the

highest score since the evaluations started in 2006 at the Shetland Pony Evaluation Scheme with 92%. Many of the Berry ponies achieved Gold Awards at the Shetland Pony Evaluations including 'Rum of Berry', 'Watzoo of Berry' and 'Zorti of Berry'. Eva and Jim's ponies were regular prize winners in the showing, including Supreme Champion at the Millennium Show, Supreme Champion at the Viking show in 2010 and Miniature Ring Champion in 2012 to name just a few.

Eva was a stalwart for the Shetland Pony, always keen to share her knowledge with those who asked. She will be hugely missed by all who knew her, and by the Shetland Pony World as a whole.

Select Sale of Ponies – Promoting the Shetland Pony Evaluation Scheme

The Shetland Pony Breed Show is due to be held in Shetland in 2019. We hope to create a full week celebrating the Shetland Pony in its homeland. The Evaluations are to be held the weekend prior to the Breed Show 20th & 21st July 2019. The week will be filled with various areas having studs available for visitors, with the ISPC meeting on Friday 26th July, Breed Show to be held at Clickimin on Saturday 27th July and the Select Sale of ponies to be held on Sunday 28th July.

A Select Sale is planned and will consist of hopefully around 20-30 ponies, which have been through the evaluations/are out of evaluated parents/grandparents. We aim to promote evaluated stock by having a parade of evaluated ponies prior to the sale. We hope to attract ponies which would rarely be offered for sale in an auction environment, thus creating a sale of premium ponies. With an international audience in attendance; we want to take this opportunity to showcase our evaluation and the ponies produced as a result of the evaluations. The sale is to be held at Shetland Rural Centre, with auctioneer Rod Mackenzie in attendance. Ibidding facilities will hopefully also be available, further attracting a wider audience. This is the ideal opportunity to showcase our evaluation scheme, and promote ponies from the scheme to a wide audience.

For ponies to be considered for inclusion, they must be by a sire who has either gone through the Old Assessment system (pre 2006) or have been through the Shetland Pony Evaluation Scheme. The assessments in 2018 will be the last opportunity to have ponies evaluated and as such eligible to be considered for inclusion in this sale.

Closing date for entries for 2018 SPES is 30th June.

An invitation to join us for a week of celebration

Breed Show 2019 – Stud Visits

In 2009 the PBSA arrange stud tours as part of the activities in Breed Show week. In 2019 we are taking a slightly different approach following feedback from visitors that they would like more time to see ponies.

We intend to collate a list of studs, in each geographical area, that will be open to visitors on a specific date, this will include contact information. This will allow interested parties to plan their trips knowing studs will welcome them on that day. This does not restrict anyone to only visiting studs on these specific days but any arrangements out with those listed would have to be made directly with the stud owners.

No transport will be organised by the PBSA but we can help with information regarding this.

Hopefully this will give visitors more time to view ponies, talk to breeders and spend more time at the studs they particularly want to see.

We are now at a stage where we are beginning to compile this information. In order to be included in this information stud owners/breeders must be fully paid up members of the PBSA.
