

SPES Select Sale Information and Requirements for Entry

Following the success of the Select Sale in 2019 and to mark 5 years since the first Select Sale, as part of the 2024 Pedigree Shetland Pony Sale at Lerwick Marts, the Pony Breeders of Shetland Association (PBSA) are hosting a Select Sale Section of ponies. These ponies will be sold at 9.30am on Wednesday 2nd October 2024, following a parade of the ponies at 9am. Auctioneer Ellis Mutch will be officiating and online bidding facilities will be available. This is a fantastic opportunity to showcase the quality of stock Shetland has to offer and to promote the Shetland Pony Evaluation Scheme. A maximum of 30 ponies will be selected for the Select Sale and it is hoped a good range of ponies with differing blood lines, colour, height, age and sex will be forward; most of which would not normally be offered for sale in an auction environment. There is already a lot of interest in this sale from prospective buyers from the UK, Europe and beyond; harnessing the opportunity to sell premium stock.

This sale is open to entries from PBSA Members only. Ponies entered for sale that have not been seen in the show ring or previously evaluated will be viewed prior to acceptance. Immediately prior to the sale there will be a parade of the ponies forward for sale, giving vendors the opportunity to show the pony to potential buyers.

The committee would like to encourage ponies with a connection to the Evaluations to come forward for entry.

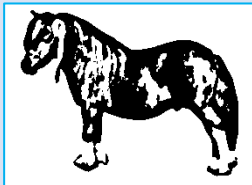

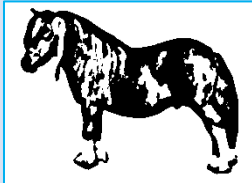

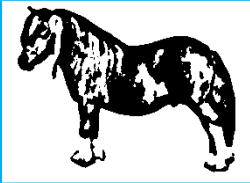

It must be noted all ponies entered may not be accepted for sale depending on the number of entries.

See overleaf for requirements for entry eligibility.

5. Ponies must not be removed from pens without the owner or his/ her representative being present.
6. At all Sales, if the owner is not present in person, a representative must be nominated in advance who will be responsible for the ponies.
7. All stock must be registered with the SPS-BS. The deadline for foal passport applications is 31st July.
8. The minimum age of foals to be sold is eighteen weeks on the day of the Sale even if being sold at foot. The foal's exact date of birth must be stated on the entry form.

22. In the interests of welfare, working ponies of four years old or over only may be clipped on the body only.
23. Passports & microchips for ponies will be checked at the sale. Vendors must ensure they contact a “checker” immediately upon arrival at the Mart to have their ponies’ passports checked prior to handing your passports to the auctioneer’s office. It is the responsibility of the vendor or any person acting on their behalf to ensure that this is carried out.

28. The Society reserves the right to randomly DNA test ponies which would involve taking a hair sample.
